Carlton Books Ltd, United Kingdom, 2014. Paperback. Book Condition: New. 196 x 128 mm. Language: English . Brand New Book. The supermodel did not arrive when Twiggy first donned false eyelashes; the concept began more than 100 years previously, with a young artists model whose face captivated a generation. Saved from the drudgery of a working-class existence by a young Pre-Raphaelite artist, Lizzie Siddal rose to become one of the most famous faces in Victorian Britain and a pivotal figure of London s artistic world, until tragically ending her young life in a laudanum-soaked suicide in 1862. In the twenty-first century, even those who do not know her name always recognise her face: she is Millais doomed Ophelia and Rossetti s beatified Beatrice. With many parallels in the modern-day world of art and fashion, this biography takes Lizzie from the background of Dante Rossetti s life and, finally, brings her to the forefront of her own.
