Createspace, United States, 2013. Paperback. Book Condition: New. 214 x 138 mm. Language: English . Brand New Book ***** Print on Demand *****.Why read a paraphrased Summary of the Bible when you can read actual Scripture? In only seven days, reading ten to twenty minutes each day, gather a greater understanding of the Holy Bible. From the editor: One Week Bible is the only work I've seen of its kind. Dr. Massingale concisely sheds light and clarity on Biblical principles in a personal manner that is easily attainable and relevant. The beauty of this survey is its simplicity. Dr. Massingale does not presume to deliver academic commentary which one can find from a number of other sources. Instead, he offers a summation of the word of God to laymen and points to the scriptures themselves as his sole inspiration rather than repackaging other perspectives. Readers can anticipate the book to be a companion to accompany and encourage them on their intimate walk with Christ. -Daniel Kennedy From the Xulon Press editorial staff: The author compiles an innovative summary of the Bible in an easy to access and organized format. The book includes useful prayers that encourage readers to utilize a variety of themes and reflect on verses as they meditate on scriptural content. The combination of the author's passion for Scripture, his education and conviction in the introduction will immediately inspire readers to explore this reference tool. Additional Features Include: Author Inspiration A Brief History of English Bible Translations Plan of Salvation Why Can We Believe the Bible (new) CEB Footnotes (new) Bible Answers to Commonly Asked Questions Suggestions for Further Study.
