POCKET BOOKS, United States, 2014. Paperback. Book Condition: New. Media Tie-In ed.. 170 x 104 mm. Language: English . Brand New Book. In Lisa Genova s extraordinary New York Times bestselling novel, an accomplished professor diagnosed with Alzheimer s disease learns that her worth is comprised of more than her ability to remember. Now a major motion picture from Sony Pictures Classics starring Julianne Moore, Alec Baldwin, Kate Bosworth, and Kristen Stewart! Look for Lisa Genova s next novel Inside the O Briens. Alice Howland is proud of the life she worked so hard to build. At fifty years old, she s a cognitive psychology professor at Harvard and a world-renowned expert in linguistics with a successful husband and three grown children. When she becomes increasingly disoriented and forgetful, a tragic diagnosis changes her life and her relationship with her family and the world forever. At once beautiful and terrifying, Still Alice is a moving and vivid depiction of life with early-onset Alzheimer s disease that is as compelling as A Beautiful Mind and as unforgettable as Ordinary People.
