Wolves run on four feet through mountain forests, and on two through urban landscapes. But even this place of refuge has its own dangers â horrors revealed only by the light of the full moon. Werewolves are not the most dangerous things that breathe the night air. Hunting Ground: The Rockies details the Colorado Rocky Mountains as a setting for Werewolf: The Forsakenâ¢. This book comes complete with characters, background information and huge numbers of plot hooks, as well as a long look at the spiritscape of the region. Play through the sample story provided, or any of hundreds more possible. Make this land your own.
