Brand New Book ***** Print on Demand *****.Sirius Boa has night sight-an uncanny way of affixing to inanimate objects that which lets him see them in the dark. He first became aware of this talent during a midnight raid on a chicken coop. As he matured, he honed this faculty until he could imbue an ottoman with the aura he once bestowed upon anthills. He calls it, giving breath, then space. He has other talents besides-he can discern faint whisperings. But it is his night sight that will guide him in his battle against the terrible dark that has descended upon the Rouen countryside. This is the story of Sirius Boa, an American called to Rouen to help heal a stricken friend. It is the story of Giselda, the mysterious Gypsy he befriends, and of Madame de la Plume, doleful mistress of the magnificent and tragic Briand estate. This is the story of a haunting, and of an entity that has existed upon the plains of central France for millennia. It is the story of two people who find each other in the midst of this haunting, and of a third person who is part lover, part hater, and part key to their very survival.
