By Howard Tomb

Workman Publishing. Paperback. Book Condition: new. BRAND NEW, Wicked Japanese (New edition), Howard Tomb, From the sneakily successful travel series with over 1,000,000 copies in print, here is the pocket-sized guide that combines verbal self-defense with cultural insight. Specifically focused on getting in, getting around, and getting the deal done, "Wicked Japanese" prepares the gaijin (that's you) for a world so alien that just wearing the wrong necktie can spell certain death to the bargain you flew 18 hours to seal. Impress your host with your politeness--and recite the correct apology for grazing a stranger with your sleeve: Buchoho de makoto ni moshiwake gozaimasen ("Sorry to have injured you with my stupid clumsiness"). And if planning to work for a Japanese company, show that you're a team player: Yumei na daigaisha no hitotsu no hagurama ni nalitai ("I wish to be a tiny cog in a huge and honorable machine"). 93,000 copies in print.
