Psalms 92:14 This book contains the exuberant testimonies of many individuals who received creative miracles, healings, and deliverance from demons. These happenings changed the lives of people and nations. This book also addresses the way in which unforgiveness can control emotions in a vice-like grip, in a prison without bars, allowing unhealthy thoughts to dominate your mind. Unforgiveness is a contributing factor in opening the door to physical and mental health problems. This was a controlling factor in my life until forgiveness according to the Word unlocked the door, like an emotional shower, cleansing and freeing the entrapped soul. It can do the same for you. Jesus came to heal the brokenhearted and set the captives free. The author has been an ambassador of peace to many nations for more than thirty years. In 2005 the author gave a prophecy from the Lord that changed the constitution of Colombia. In this book, you ll see how even the lives of even satanic-controlled guerillas in Colombia received creative miracle healings, were delivered of demons, and accepted Jesus. If they ask who gave you the authority to heal the sick and cast out demons, do you know the answer? His name is Jesus.
