Mr. Parker s part in The John Brown Campaign is bearing the title The World of Matter and the and literary executor, F. B. Sanborn of Concord. The occurrence of the centenary of Theodore Parker s birth (August 24, 1810), and the fiftieth anniversary of his death (May 10, 1860) has been observed while this edition has been passing through the press, not only in his native America but throughout the civilized world, with more or less elaborate memorial services, and by addresses and review and newspaper articles. Boston, New York, Philadelphia and Chicago were among the American; London, Berlin, Budapest, Florence, and Tokio, Calcutta and Bombay, among the foreign cities which thus celebrated his memory and services. But we may be permitted to express the opinion that no commemoration of this great American preacher and social reformer has been more appropriate, or will better preserve his name and influence to succeeding generations, than the present reissue of his collected writings.
