CRITICAL THINKING ABILITY AND ITS ROLE IN READING COMPREHENSION ACHIEVEMENT

Book Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | This book covers the results of a study which investigated the relationship between language learners' critical thinking ability and their reading comprehension achievement. Different aspects of critical thinking including its history, definitions, importance, functions and different researches in the field were discussed. To examine the relationship between the aforementioned variables two BA English literature classes from a Persian language speaking context were selected as the setting of the study. The result...
