Bibliogov, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.On May 14, 1948, the State of Israel declared its independence and was immediately engaged in a war with all of its neighbors. Armed conflict has marked every decade of Israel's existence. Despite its unstable regional environment, Israel has developed a vibrant parliamentary democracy, albeit with relatively fragile governments. Prime Minister Ariel Sharon formed a three-party coalition in January 2005 to secure support for the withdrawal from the Gaza Strip and four small settlements in the West Bank. In November, however, new Labor party leader Amir Peretz withdrew his party from the government and called for early elections. Sharon then resigned from the Likud party to form a new party, Kadima. Likud chose former Prime Minister Benjamin Netanyahu to be its new leader. On January 4, 2006, Sharon suffered an incapacitating stroke; Deputy Prime Minister Ehud Olmert became Acting Prime Minister. The March 28 national election will proceed as scheduled. Israel has an advanced industrial, market economy in which the government plays a substantial role. The economy has recovered from declines experienced due to the Palestinian intifadah (uprising) against Israeli occupation and the international high-tech crash. Israel's foreign policy is focused largely on its region, Europe, and the United States. .
