Brand New Book ***** Print on Demand *****.Throughout our lifetimes we are continually compelled to make important decisions. To choose life partners, vocations, lifestyles, churches, and even friends, we often seek the advice of others. Vance Havner encourages us to look to the wisest counsel of all-the Bible. In Moments of Decision, Havner presents sixteen revealing examples of choices, both good and bad, made in the Scriptures. He relates them practically and succinctly to the life-changing decisions that must be made today. With tremendous insight he shows how Lot s decision to live in Sodom lends advice for choosing apart from the corrupt influences of wealth; how Elijah s choice to challenge the prophets of Baal gives valuable direction for our choosing to stand against the false gospels of today; how Daniel s courageous decision against Nebuchadnezzar urges us to select the Lord s way despite the consequences; how Pilate s decision for Caesar over Christ provides us with the admonition to consider wisely the most important decision of all-to follow or to reject Christ. Whether you are facing a momentous time of decision, or considering how you might make wise choices in your everyday life, you ll find Moments of Decision an inspiring guidebook that applies the valuable lessons of the Bible to decision-making today. Discover for yourself how to make the most important decisions of your lifetime.
