Destiny Books. Paperback / softback. Book Condition: new. BRAND NEW, The Pagan Book of Days: A Guide to the Festivals, Traditions, and Sacred Days of the Year, Nigel Pennick, - A daybook containing information about rituals and celebrations that have for centuries been associated with the changing seasons of the year. - Includes charts of equinoxes and solstices, moveable holy days, and monthly lunar phases - First edition sold more than 30,000 copies Pagan rites and festivals are at the root of many traditional holidays in the Western world. Embracing a sensitivity we have lost, the Pagan traditions emphasize mystical spirituality, reverence for the feminine principle, and the links between people and the earth. This unique daybook contains a treasury of information about rituals and celebrations that have for centuries been associated with the changing seasons of the year. Included are the observances of the ancient Greek, Roman, Celtic, Anglo-Saxon, and Norse traditions, as well as Wiccan traditions and the worship of the Goddess. In The Pagan Book of Days the author provides details on auspicious and inauspicious days, holy days of ancient gods and goddesses, and the eight stations of the year (the solstices, equinoxes, and cross-quarter days). He also includes lunar and solar charts indicating dates of major Pagan celebrations from the year 2000 through 2008. Illustrations throughout depict images from the classical and northern European traditions. The Pagan Book of Days is an enlightening way to incorporate these ancient cultural and spiritual practices and awarenesses into your daily life.
