The friendly girl recruits her neighbor Donte Diaz, on an adventure that the two of them will never forget. While exploring her grandmother s attic, the two uncover a play area that they could only dream of- a wooden carousel in one corner, a giant chalkboard on one wall, a metal teeter-totter, and shelves of mysterious books. While navigating the attic they notice a book on one of the shelves with its pages turning by itself. The fearless girl quickly discovers why this book is special, as both Donte and Mel B fall into the pages of the book, and become encompassed by a world of dinosaurs and an endless jungle. Their misadventures take them from being chased by a hungry Tyrannosaurus Rex, to sliding down the long neck of a brontosaurus, to living in a tree house as they try to find their way back home!.
