

A Brighter Word Than Bright: Keats at Work (Paperback)

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.
(Prof. Loyce Runolfsson Jr.)

University of Iowa Press, United States, 2015. Paperback. Book Condition: New. 213 x 124 mm. Language: English . Brand New Book. The Romantic poet John Keats, considered by many as one of the greatest poets in the English language, has long been the subject of attention from scholars who seek to understand him and poets who seek to emulate him. Bridging these impulses, *A Brighter Word Than Bright* is neither historical biography nor scholarly study, but instead a biography of Keats's poetic imagination. Here the noted poet Dan Beachy-Quick enters into Keats's writing both his letters and his poems not to critique or judge, not to claim or argue, but to embrace the passion and quickness of his poetry and engage the aesthetic difficulties with which Keats grappled. Combining a set of biographical portraits that place symbolic pressure on key moments in Keats's life with a chronological examination of the development of Keats-as-poet through his poems and letters, Beachy-Quick explores the growth of the young man's poetic imagination during the years of his writing life, from 1816 to 1820. *A Brighter Word Than Bright* aims to enter the poems and the mind that wrote them, to explore and mine Keats's poetic concerns and ambitions. It is a mimetic tribute to the poet's life and work, a brilliant enactment that is also a thoughtful consideration.
